

Give Me the Rock

Some call it the orange, the pill, the pumpkin; others call it the Rock! For most of today's NBA stars the Rock is life. Jamming, shooting, dishing and swatting the Rock are what dreams are made of. With the game on the line, the best in the game all say, "Give Me the Rock!"

*Defining the moment -
a time when you and
the Rock are one*

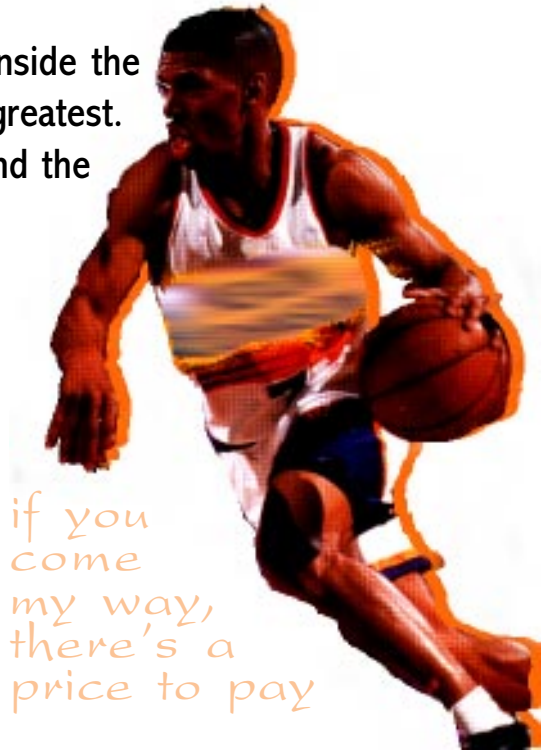

*a dunk is more
than 2 points -
it's 2 points plus
intimidation*

Network analyst Clark Kellogg takes you inside the minds and hearts of some of the game's greatest. Packed with rockin' game highlights, behind the scene footage and up-close interviews.

*it's me or them - only
one of us can survive*

It is perhaps the world's fastest growing sport played on hardwood or in backyard lots. All you need is a hoop some drive and of course the Rock itself.

*if you
come
my way,
there's a
price to pay*

38 minutes; Available in English, Spanish
